ELECTION

Director of the United States Patent and Trademark Office
Washington, D.C. 20231

Sir:

This is in response to the United States Patent and Trademark Office
Restriction Action mailed October 30, 2002, which response is being made on or
before November 30, 2002.

In response, firstly with regard to the first specie election requirement, the
Applicant hereby elects specie B, namely claims directed towards pharmaceutical
substance effect(s) prediction with evaluating harmful side effects. With regard to the
second specie election requirement, the Applicant hereby elects specie C, namely
claims directed towards single pharmaceutical substance effect(s) evaluation.

It is believed that the following Claims read on the above species:
